**Stitching Hint:** Starting Points - Although you may have been taught to stitch from the center point out, this is not only unnecessary, but difficult to achieve when working with a chart that spans several pages. Since you know the finished size of the design based on your fabric count, you may start from the top left and work over and down. Remember to leave salvage of at least an inch or more for framing.

Complimentary designs: **His Name is Jesus** - Twice the size, **Jehovah**, **Holy Spirit** and **Su Nombre es Jesus** in Spanish.
